SPECIAL RULES

SANTA'S ELVES

The **Victims** at this location are **Santa's elves**! They are talkative, energetic, extroverted, and very, very annoying. Each time you move INTO a space containing normal (yellow) **Victims**, ⌘ for each **Victim** there. You do not apply this penalty in any other circumstance (**Victims** following you, panicking into your space, being placed in your space, etc.), only when there are already normal **Victims** in the space you are moving into.
